

O' say can you see, by the dawn's
early light

What so proudly we hailed at the
twilights past gleaming.

Whose broad stripes and bright
stars, through the perilous
fight,

O'er the ramparts we watched were
so gallantly streaming?

I
Hear
America
Singing . . .

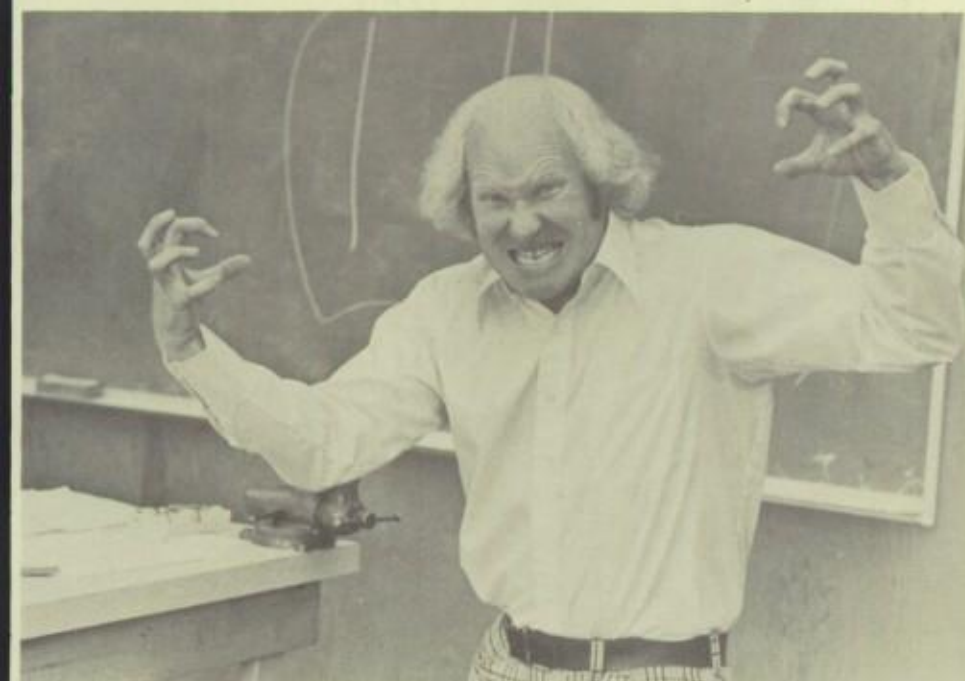

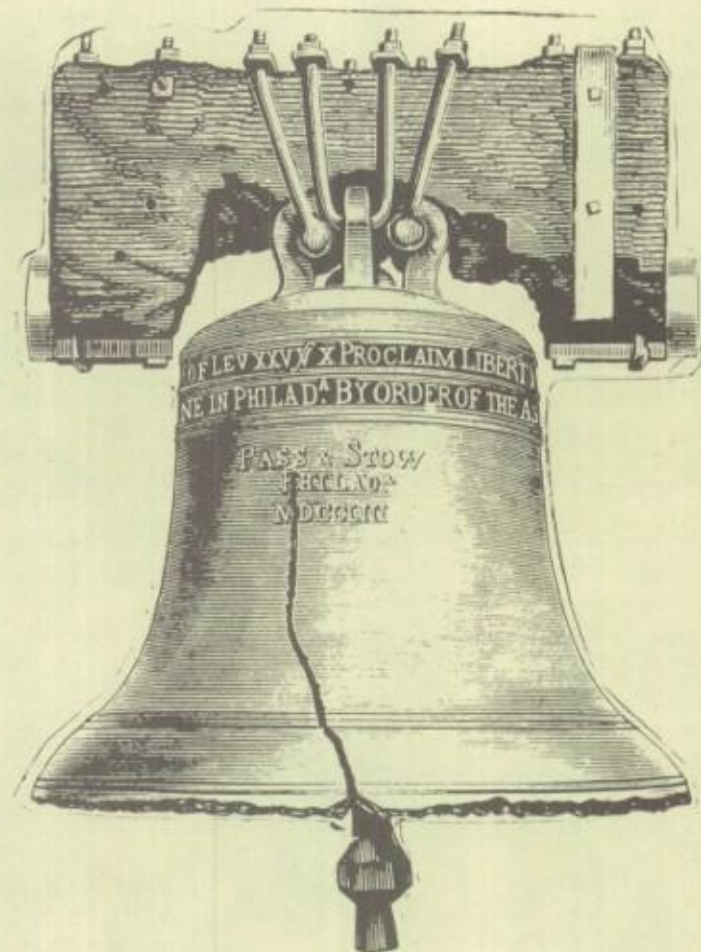

. . . the varied carols I hear,
Each singing what belongs to him or her
and to none else,
Singing with open mouths their strong
melodious songs.

Walt Whitman

That old State House Bell is silent,
 Hushed is now its clamorous tongue;
 But the spirit is awakened
 Still is living - ever young;
 And when we greet the smiling sunlight
 On the fourth of each July,
 We will ne'er forget the bellman
 Who twixt the earth and sky
 Rung out, loudly, "Independence";
 Which, please God, shall never die!

A Creed

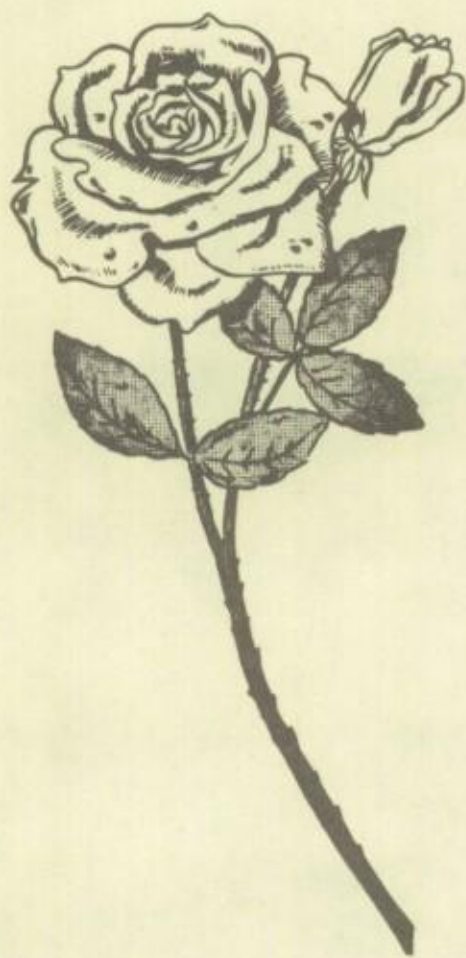

There is a destiny that makes
us brothers;
None goes his way alone;
All that we send into the lives
of others,
Comes back into our own.

I care not what his temples
or creeds,
One thing holds firm and fast-
That into his fateful heap
of days and deeds,
The soul of man is cast.

America is many people and many things. It's the Fourth of July, all the Fourth of Julys since 1776. It is the Declaration of Independence and the Bill of Rights. America is two hundred million living people and memories of many million more who lived and died that it may remain free. Within its boundaries are people from all parts of the world who were seeking freedom from oppression. America is George Washington and Thomas Jefferson, Nathan Hale, Patrick Henry and Abraham Lincoln.

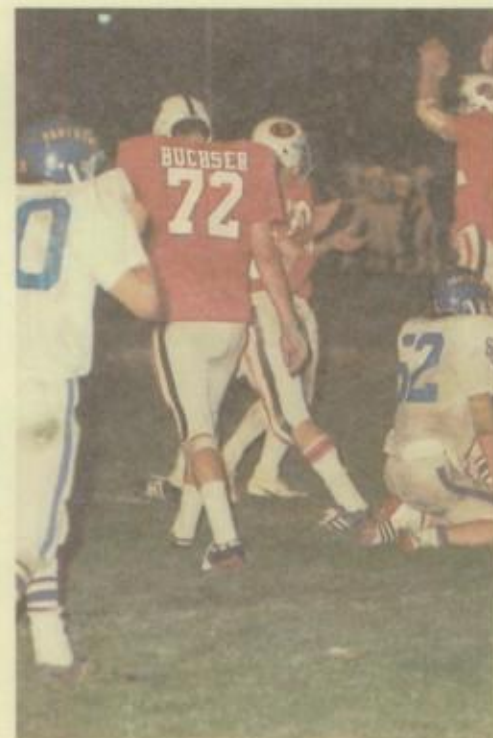

It remembers Lexington and the shot that was heard around the world, the Alamo, Paul Revere and his midnight ride, and Davey Crockett with his coon-skin cap when he roamed the hills of Tennessee.

America is cowboys and Indians and pirates bold. It is the Statue of Liberty and the Brooklyn Bridge, Betsy Ross and our first flag. America is Benjamin Franklin and Thomas Edison, the beauty of Christmas and the melody of "Auld Lang Syne". It is many thousands of churches where people worship God as they may choose; and halls of knowledge, a large assortment of schools and colleges.

America is industry, huge factories and three million farms, the coalfields of the Virginias and the gold fields, the mines of the West. It is the granite hills of Vermont and the grainfields of the Midwest, the Grand Canyon and Plymouth Rock, the majestic redwoods and the Golden Gate. America is the mighty Mississippi, the Potomac. It is the great open spaces, rolling hills and valleys, snow-covered mountains and the hot sandy desert.

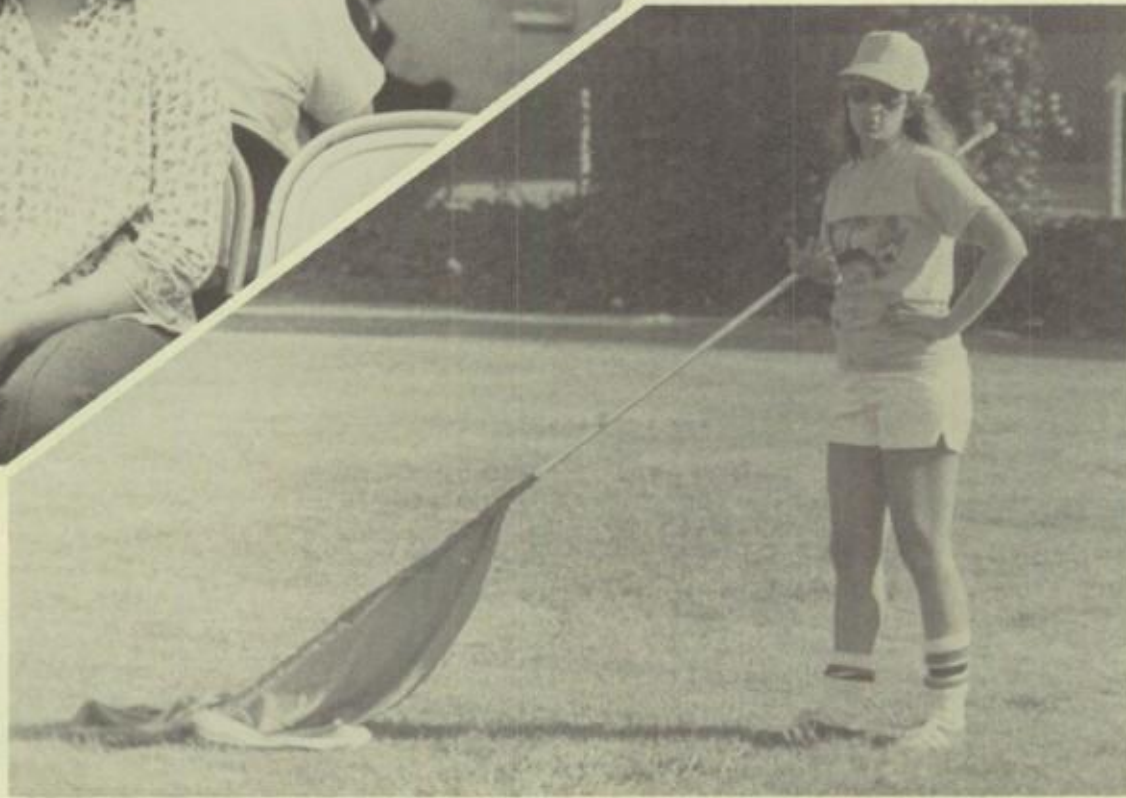

America is free-it was molded and shaped to be free. It is courage and strength, a fortress of freedom and a beacon of hope to those of the world who wish to be free. America is two-hundred years old in the year of 1976. It is young and it is old; young as it is a new world, and yet, older than its years in experience, progress and dedication.

On behalf of the Buchser High
Student Body, we take great
pride in presenting the 1976
KODIAK to:

Mr. James Filice!

The yearbook dedication this year goes to Mr. James Filice, teacher of mathematics here at Buchser, who is honored for his great contribution to this school and his successful efforts in relating to his students.

Mr. Filice, a veteran of both WW II and Korea, has gone above and beyond the call of duty for Buchser students for 17 years now. Before that he taught in Daly City.

The relaxed atmosphere in his classroom is a product of his minimal concern with teacher-student roles. His students feel free to joke with him about mentality and age as lightly as he taunts theirs. "Maybe," he has often said, "if you come in every day after school for four months, you'll be able to make a 'C'".

His vast popularity with Buchser students is largely due to the relaxed atmosphere of his classes and his fine ability to teach and communicate.

As one Buchser student summarized: "He seems able to explain what he is doing. Students constantly remark on how much and well they learn in his classes."

All members of the team did an outstanding job this year, but special attention goes to senior Kurt Meinhardt who was the teams leading scorer and was voted the All-League Most Valuable Player. Senior Bob Bailly was voted to the second team, while Bruce Anderson received Honorable Mention. Juniors Mitch Fuentes, Dave Hodgins, and Bill Rouse are expected to return next season to lead the varsity squad to another fine year in a tough SCVAL.

Wrestling Bruins enjoyed another successful season by placing second in the SVAL with a 5-1 record; overall the grapplers were 11-4-1. Individually the team was led by the performances of three seniors and two juniors who each had more than twenty pins. Seniors: Jesse Castro 29-5; Vince Arenas 27-6-2; and Bob Pettigrew 27-8; and Juniors Rick Quon 24-9; and Kirk Brown 22-8. At the SCVAL tournament, Buchser had 4 Champions for the second year in a row: Seniors Jesse Castro and Bob Pettigrew, Junior Kirk Brown and Freshman Mark Martinez. Jesse went on to win the Region 1 Championship and just failed to make the state tournament as he was injured in the semifinals of the CCS Tourney.

Bob Pettigrew set a new team takedown record of 55 breaking Kevin Locke's 1972 record of 52 takedowns. Jesse Castro also broke the old mark by one takedown. Kirk Brown also won a spot on the Northern California AAU team which wrestles a series of ten dual meets in Europe during the month of August. Coach Aragon was selected as one of the coaches for the team.

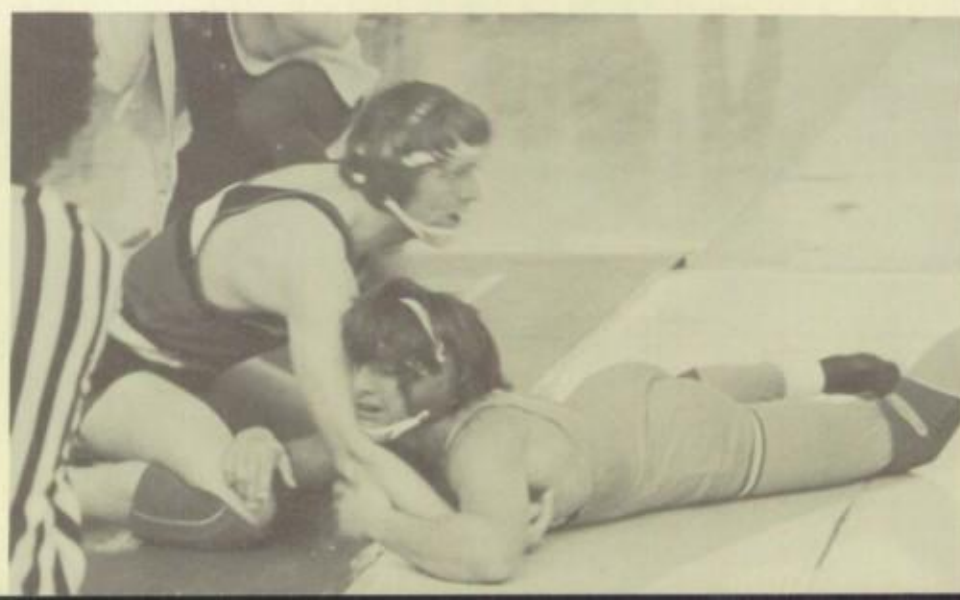

Team prospects for next year are good as there are 8 returning varsity lettermen led by seniors-to-be Rick Quon and Kirk Brown.

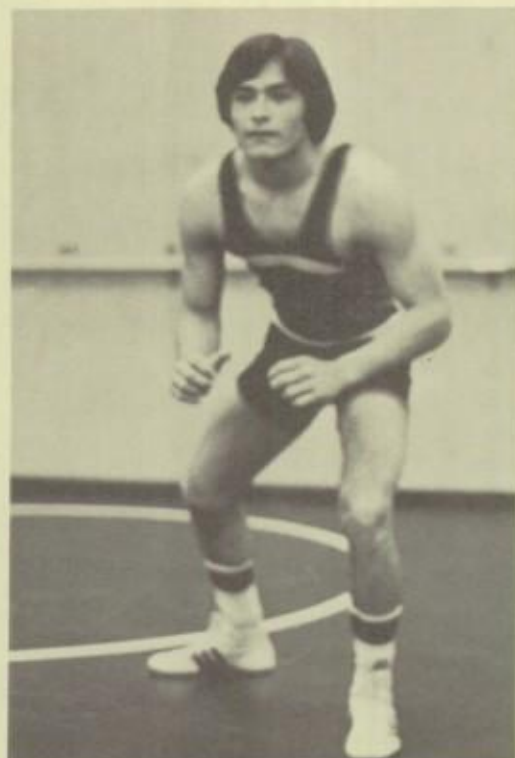

Team highlights included placing 4th in the Buchser dual team tournament, now rated the toughest tourney of its kind in Northern California as it includes teams which represent 9 different leagues from three CIF sections. The wrestlers also placed 2nd at the Wilcox dual tournament. What makes the dual team accomplishments so outstanding is that the team only had 5 seniors and the rest were underclassmen.

Varsity Baseball

The 1976 Bruins experienced the best season of any baseball team in the schools history. Their overall record of 21-5 placed them in the playoffs. The Bruins beat Los Altos in the First round, and then fell to defeat to Cupertino in the Region II playoffs by a score of 7-1. Ironically, the Buchser nine beat Cupertino in pre-season play, 5-1. Although the team had many fine athletes, there are a few that stand out. The first being the Co-MVP of the SCVAL, Dave Hodgins. Dave, a junior, batted .480 and belted six home runs. Pitcher Pat Blamey ended the season with an impressive 8-3 overall record and 6-1 in league play. Pat, a senior, will be attending Cal-Poly on a four year athletic scholarship. Junior Rob Ferguson enjoyed an excellent year and pitched 16 out of 21 playoff innings, not allowing a single run. Rob was awarded second team All-League. First team All-League honors also went to senior third-baseman Brad Block, and centerfielder Bruce Anderson. Bruce also is a senior. Second team honors went to juniors Vince Lucia, and senior Mitch Fuentes received Honorable Mention.

Yuko Nakamura Japan

Yuko came to America to improve her English and to find out what Americans are really like.

Becoming involved in Buchser life, Yuko was a member of CSF, French Club, International Club and a member of GAA.

Yuko says, "Being a foreign exchange student is exciting. I wish to share my experiences with other students."

Following Yuko's graduation she plans to further her education and she also plans on using the English she has learned in her future career.

Foreign

Riitta Savolainen Finland

Coming to America was quite an experience for Riitta Savolainen. She came to use more of her English and to see what life is like in America.

Riitta is an active student in the Art Club and is taking many art classes during her stay here.

Riitta says, "Being a Foreign Exchange student is wonderful and anyone given the opportunity to visit another country this way should do so."

She plans on returning to America to see her American Family and friends. Riitta also states, "The people in America are so polite and happy."

Suzanne Wickum Germany

Susie, shy but very much interested in the American way of life came to the United States to experience it for herself. In visiting San Francisco she enjoyed Chinatown for its unique atmosphere.

Susie wishes to return to the United States to visit her American family. Leaving America she will always remember how friendly the people are here.

Every year for the past three years, Buchser and Chiba Higashi High School in Japan have a one month exchange. Some of Buchser's students go to Japan during the summer and some of Chiba's students come to Buchser in March. This year they stayed from March 19 and left April 12.

Exchange

Isabelle Rieussic France

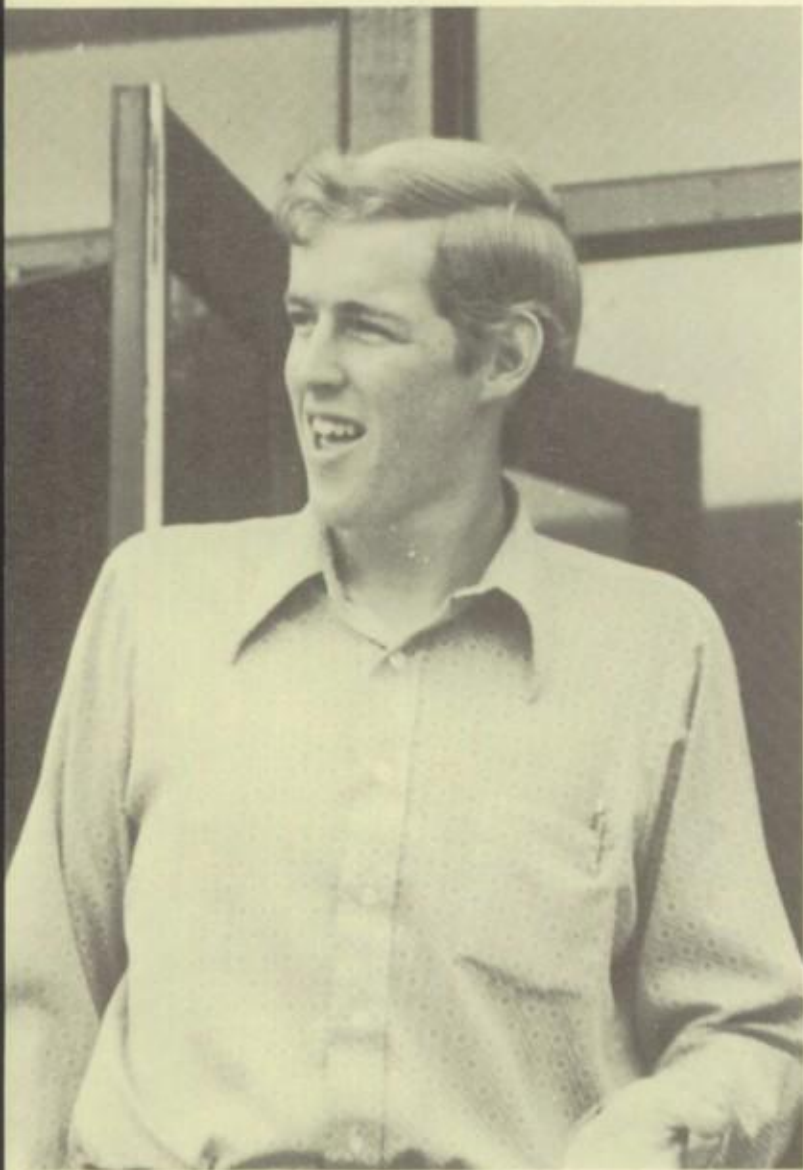

Isabelle, who comes from the city of Lyon in France, says that she enjoys California because she is near the mountains and the ocean at the same time.

In France, Isabelle has three brothers and two sisters, ages 12 to 23. Their names are Jean, Francois, Olivier, Manu (short for Emanuel), Chantal, and Dominique.

Isabelle told us that in France there are no sports events after school, no band, no drive-in movies, and when the students have a party, all they do is dance.

Isabelle hopes to go into something outdoors or in an art field. She also says, "Students in the United States are very lucky because in France, when a student is 14 years of age he has to know what field he wishes to go into so that in high school he can take special classes to prepare him for his chosen career."

OKTOBERFEST

In late October, the German classes presented an evening of food and fun--- Oktoberfest '75. After filling themselves with German sausages, hot potato salad and pastries, Buchser students as well as students from other district high schools participated in contests ranging from chug-a-lugging rootbeer to downing a bowl of sauerkraut. The German Oom-pah Band provided musical entertainment and our German Foreign Exchange student, Susanne Wickum led the audiences in singing two German Folk songs. Those people not wearing something German became victims of the Gestapo which strongly suggested they provide some on-the-spot entertainment for the crowd. Perhaps the highlight of the evening for the foreign language students was the sponge throw at Mr. Asay, Mr. Sanchez, and Mr. McHan. And, of course, Mr. Gary Edwards upheld the honor of Buchser High by defeating the German teacher of Peterson High in a grueling round of Rootbeer Chug-a-lugging. Other contest winners were Diane Larko (Chug-a-lug) and Mike Berritto (Sauerkraut).

EN SOIREE

The fourth annual En Soiree held May 6th and 7th was a rousing success. Mr. Asay was the host of the evening and Jim Bartholet & Eric Bocks played the reoccurring characters of Groucho & Harpo Marx. Some of the more popular acts of the evening included, John Lee's Magic act, the Teachers' Band, the Teachers' Choir, Mr. Parker and Co., and the ever popular Can-Can dancers. This year's Can-Can dancers were directed by Ann-Marie Pearce assisted by Bar McBeth. Talent scouts from the City of Santa Clara were present at the performances and some performers like Audrey Curran were signed to perform this summer at the Bicentennial celebration. Longest song title of the evening was the duet sung by Mrs. Salles and Mr. Marquardt, "How could you believe I said I loved you when you know I've been a liar all my life." The entire show was a credit to Mr. Asay, the French Club and all the performers involved.

And the rockets red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O' say does that star-spangled banner yet wave,
O'er the land of the free and the home of the brave?

Francis Scott Key
